

## Internship @ Echo Correspondence

Echo Correspondence is looking for an intern with a focus on communication from September to December 2023.

Echo Correspondence is an artist-in-residence programme that offers emerging artists or collectives with a focus on sculpture and space, multimedia art and performance the opportunity to live, work, and exhibit their artwork in the Spalt Pavilion in Wander Bertoni's former studio building in Vienna's 19th district.

As part of the team you will work closely with artists and are embedded in a vibrant work environment that organically follows the workflow of our hosted residents. Your main task will be to communicate Echo's ongoing residence programme through text and visual content for social media, open calls, events and workshops. From time to time, we also need a helping hand with practical tasks such as assisting with exhibition production, events and other things that may arise.

### Requirements:

- Very good English language skills
- Versed in social media such as Instagram, Facebook, and Mailerlite
- Experience with producing text and visual content
- and independent
- Dedicated and Hands On mentality

### We offer:

- A dynamic and flexible work schedule
- Close working relationship with colleagues and artists
- Insights into different areas of exhibition production
- Practical experience in art dissemination

Fee: 300€ / Month

Working hours: 15 hrs / Week
